

done to honor many of our fallen soldiers and servicemen. Memorials that are commissioned for veterans often display additional markings and features not usually featured on the average headstone, such as Bronze Stars and Purple Hearts. In a display of gratitude for their service to our country, whenever Rolf Monument Co receives a commission for one of these specially crafted veterans' headstones, Mr. Rolf adds the additional service-specific features free of charge.

Of the many services this company offers, the most popular is the creation of memorials for families who have recently lost loved ones. Mr. Rolf understands that these monuments often embody the final step in the grieving process, and Rolf Monument Company takes special care to streamline this process and ensure the family of the bereaved is treated with the utmost dignity and respect. Moreover, this same level of dignity is displayed in all the collaboration Rolf Monument Co participates in within the veteran community. Tim Rolf's company often works with AMVETS, Veterans of Foreign Wars, and Vietnam veterans groups. Not only does his company play an important part in the transition of life for Kentucky citizens, but they work tirelessly to pay tribute to the men and women who fought to keep our country free. I want to thank Mr. Rolf for his fine work done on behalf of our Nation's veterans and congratulate him and to the entire team at Rolf Monument Company. I look forward to seeing their continued growth and success in Kentucky.●
